Statement Persistent Organic Pollutants (POP)

Rechtliche Regelung auf europäischer Ebene - Verordnung (EU) 2019/1021 (POP-Verordnung)

Dear Sir or Madam,

according to our current information the products we deliver to You do not contain persistent organic pollutants (POP; Regulation (EU) 2019/1021)

In further sequence we will regularly analyze and evaluate the criteria and restrictions concerning the EU guidelines for the products that are distributed by Amphenol Precision Optics GmbH

Best regards

J.A. Thomas Wagner
Head of R&D
